Accidental injury cover

For only a small additional charge per pet per month, you can include Accidental Injury cover. This provides cover for the cost of treating accidental injuries up to £2,500 per incident, subject to an excess of £75.

Total claims in any 12-month period may not exceed £5,000. The cover is for treatment by our practice. However, if our practice is closed when immediate treatment is needed, or you and your pet are away from home (anywhere in the UK), then cover is extended to include the nearest available vet.

Further details of cover are available from the practice.

How do I register?

Please call in at the practice to complete a simple registration form, which will require your bank account details. Practice staff will be happy to answer any queries you may have.
